PROCLAMATION FROM TAFT IS NOW EXPECTED

AMERICAN FLAG MAY FLOAT AT
CUBAN PALACE BEFORE
NIGHT COMES.

WILL THIS MEAN FIGHTING?

A Grave Question is Cubans' Attitude
Toward American Rule—Inter-
vention at Hand.

(Bulletin.)

Havana, Sept. 28.—All is bustle and preparation on board the American warships in the harbor here this afternoon. Sailors and marines are fully equipped ready to land on moment's notice. Hurried conferences between Taft, Bacon, moderate and liberal leaders have been going on all day. The Americans have kept in close touch with the commanders of the warships. All efforts are now directed toward inducing Palma to withdraw his resignation. The American legation is the storm center and all is excitement thereabouts.

Havana, Sept. 28.—Secretary of War Taft is expected to proclaim himself governor of Cuba today. Before nightfall it is believed the stars and stripes will again float over the palace, and American marines and sailors hold the town.

Only President Palma's reconsideration of his decision to resign is regarded as likely to stay this progress. If Palma will remain at the head of the government, more time probably will be allowed in which to effect a settlement.

It is not likely Taft will consent to the election of a successor to Palma by Congress. If there is to be a provisional government it will be of American manufacture. No more time will be lost by allowing Cuban politicians to play with the United States.

Intervention will not be permanent. It will last only until a new election can be held to choose a regular Cuban president, but the United States will police the country until all danger of disorders is past.

If Taft proclaims himself ruler of the country today there is some prospect of fighting. Fiery moderate leaders say the Cuban army will oppose the United States forces with arms. Little attention is paid to such a threat, however.

All preparations are completed for landing forces from the warships in the harbor the moment Taft issues his proclamation. Congress is to meet at 2 o'clock, but there is still doubt whether a quorum can be secured. On the outcome of the session or the failure of Congress to meet probably depends the question of intervention.

GRAVE QUESTION IS CUBANS' ATTITUDE

(By Jacob Waldeck.)

Havana, Sept. 28.—With intervention at hand the gravest question is the attitude of Cubans toward American rule. Upon it depends whether Americans confront a long campaign, costly in lives and money, and whether the provisional government is temporary or simply a prelude to annexation. The moderates are in an ugly mood. It is expected Secretary Taft will uphold President Palma. Bitter in disappointment they threaten a resistance. One general declares he will cheerfully die fighting American occupation, but he will never surrender his sword. There are rumors of a probable anti-American uprising in Matanzas. Gen. Beatancourt, government commander there, strongly has opposed the Yankees. It is reported 2,000 men will rise of he calls. Gen. Rabi, a veteran of '98, lives in Matanzas. He is a graduate of the French military school and a strategist of marked ability. He could muster 4,000 men. Moderates intimate he will be with them in any action. While many things are possible in the inflamed condition of the public mind, these reports of a general revolt are highly improbable. There is great danger, however, of small forces over the country robbing and destroying property especially foreign property. The strongest opponents of America believe the sweetest revenge will be to embroil the country with the big naval powers. They feel this could be done by the destruction of foreign property, and may try. Many hold the belief that Americans once in the palace will never leave, and say it would cause a tremendous influx of capital and raise problems requiring American control. The parties of the present contest are two sets of politicians, all of the same caliber and business interests. One will favor continued American rule. The desires of politicians are not important. The common people have declared no sentiment. The workingmen are reported favorable to inter-

vention. Farm tenants and laborers are reported indifferent. The military plans contemplate first landing a brigade of marines under Colonel Barnett and then a brigade of sailors under Commander Chapin.

AMERICAN TROOPS AT HAVANA 2,500

Havana, Sept. 28.—Twenty-five hundred American troops are available for landing purposes if it is necessary for Taft to proclaim himself military governor of the island. It is expected within 24 hours these forces will be rushed ashore and the American flag raised over the palace. Senator Dolz, moderate leader, voiced the general opinion of the Cubans today when he said: "It appears tonight we go to bed Cubans, but will all arise Americans."

The belief is becoming general that the reason the government is so bitterly opposed to making peace is the handing over of the administration to political opponents is sure to result in discovery of large speculations with government funds. Everything now depends upon the action of Congress and the course upon which Taft determines will be chosen after Congress has acted. Senator Dolz announced this morning that the moderates agreed to the election of a neutral man as president in case Palma insists upon offering his resignation. This offer, it is believed, will bring the liberals into session and insure a quorum. Taft is inclined to regard this merely as another trick of the moderates to gain time and attempt to shift the responsibility for intervention off their shoulders. Rural guard officers express loyalty to the expected American regime leaders. The insurgent armies in the field will co-operate with the Americans if troops are landed.

GIVEN UNTIL 4:30 O'CLOCK.

(Bulletin.)

Havana, Sept. 28.—On representation made to him this morning by General Menocal, Sanchez and Agrmonet that it would be impossible to secure a quorum of Congress by 2:30, this afternoon Secretary Taft set 4:30 as the time in which to secure a quorum. Liberal members are still undecided whether to stay away from the session, thus presenting a quorum or to attend to give a chance for Congress to take some action which may prevent intervention.

BY WIRELESS

President Will be in Touch With Affairs in Cuba While on the Mayflower.

Oyster Bay, Sept. 28.—If the Stars and Stripes are flung to the breeze over Cuban soil today or tomorrow to announce officially American intervention and temporary American control the order will probably be issued by Mr. Roosevelt when out of sight of land, and far beyond the historic "three mile limit" beyond which no executive before his time has ever dared to proceed during his term of office. The Mayflower on which the President sails to Cape Cod bay today, is equipped with wireless telegraph apparatus and he will be able to keep in touch with Havana and the world at large during every minute of his absence. On his present journey the President will receive official and personal messages from the nearest wireless station on land.

PRESIDENT LEAVES TO SEE PRACTICE

Oyster Bay, Sept. 28.—President Roosevelt left Oyster Bay aboard the Mayflower today for a trip to Cape Cod Bay to observe gunnery practice of the warships of the Atlantic fleet. Communication has been established with New Orleans by wireless. A heavy wind and rain storm was reported there last night, but damage was not excessive.

(Bulletin.)

Atlanta, Ga., Sept. 28.—Losses to the amount of probably \$13,000,000 were caused by the terrific hurricane which visited Florida, Alabama, Mississippi and Louisiana, according to reports received here today. The greatest damage is to the cotton crop. Railroad property to the value of a million dollars is reported destroyed. None of the dispatches tells of any loss of life.

Jackson, Miss., reports that 200,000 bales of cotton were ruined, with an estimated loss of \$12,000,000. Dispatches from Montgomery are meagre but say the Alabama cotton crop likewise suffered severely. The damage to the property of the L. & N. railroad between Flomaton and Pensacola will approximate a million dollars.

Passengers arriving on beated trains from Mississippi say crops through the section they traversed have suffered greatly.

Statements made by refugees from Pensacola, arriving at Flomaton, say the whole town was practically wrecked. Fire broke out in buildings blown down adding to the destruction. Fifty lives are reported lost, but the rumors are unconfirmed.

Communication has been established with New Orleans by wireless. A heavy wind and rain storm was reported there last night, but damage was not excessive.

Vessels were warned of the storm and remained in harbor, so it is believed there has been little or no loss of life on the Gulf.

The two men were on the rear of the caboose, motioning to their engineer and did not see four coal cars on the switch into which the caboose crashed, killing the men.

TEDDY ROOSEVELT PRESIDENT'S SON TAKEN BY POLICE

Boston, Sept. 28.—Teddy Roosevelt Jr. is today the most popular man in Harvard. Teddy and some of his friends were frolicking on the common last night when a policeman objected to their antics. The students noted the objection by taking away the cop's club and revolver, after which they playfully bowled him over and sat upon his frame. Toppling upon the cop's round and outraged from the college boys lifted their voices in victorious cheers, which attracted the attention of other policemen. The students ran, but four, including young Roosevelt, the police bundled off to the station house. The sergeant nearly fell off his chair when Teddy told his name. Young Roosevelt said he had nothing to do with the cop's troubles and the sergeant let him and his friends go.

TWENTY YEARS BAPTIST PASTOR AT GRANVILLE

ANNIVERSARY OF DR. BALDWIN'S
PASTORATE IS FITTINGLY
OBSERVED.

GIFTED MINISTER'S FATHER

Occupied Pulpit of First Baptist
Church in Troy, New York, for
Forty-One Years.

(Special to the Advocate.)

Granville, Sept. 28.—Today marks the completion of twenty years of Dr. C. J. Baldwin's pastorate of the Baptist church of this place, and the event is being celebrated with a big dinner at the church and a program of addresses suitable to the occasion. One of the events of the occasion was the presentation by Dr. Hundley on behalf of the men of the church of a handsome Harrington rocker to Dr. Baldwin, and a beautiful leather trimmed rocker to Mrs. Baldwin. The chairs were the handiwork of that could be procured.

It was just at this time in 1886 that Dr. Baldwin came to Granville from the First church, Rochester, N. Y., one of the most prominent pulpits in the Baptist denomination. Dr. Baldwin's rare gifts and fine Christian culture have given high dignity and influence to the Granville church, which at the seat of Denison University makes large demands upon its pastor. During these years Mrs. Baldwin has made for herself a prominent place in Granville life, not only in the church where she has been the head of the Woman's Social Union, but in the community at large where she has been a prominent figure in literary club life and in the plans which made the Granville Centennial so large a success.

During his stay in Granville the two sons and the daughter of Dr. Baldwin have been graduated from the college and taken honorable positions in the world. James F. Baldwin, Ph.D., is professor of history in Vassar College, and has won distinction in Europe and America through his researches into the history of the beginnings of the King's Council. His results have been presented in person by him before the Royal Historical Society of England, and published in the British and American Historical Reviews. They will be embodied more fully in a volume which Professor Baldwin practically completed during his vacation in Granville the past summer.

The second son, Rev. Arthur C. Baldwin, is pastor of the First Baptist church in Aurora, Ill., and is one of the rising young ministers of the denomination. He is a fine preacher, having while in college, distinguished himself by taking the first place in the State oratorical contest, and second place in the interstate contest.

The daughter, Miss Helen, was noted while in college for her fine scholarship and poetic gifts. She is now one of the faculty of the celebrated Joliet High School in Illinois.

The twenty years of Dr. Baldwin's pastorate seem remarkable, but Rev. George C. Baldwin, D. D., father of Dr. Baldwin, far exceeded this record, having been pastor of the First Baptist church of Troy, N. Y., for forty-one years. A host of friends congratulate Dr. Baldwin and the Granville church on their anniversary.

Dr. J. L. Gilpatrick presided and called upon Mr. E. M. Downer, who spoke of the character of the services of twenty years most impressively. Dr. R. S. Colwell who was chosen one of the committee who called Dr. Baldwin twenty years ago, paid a heartfelt tribute of love, honor and esteem which found an echo in every heart.

Miss Barker, dean of Shepardson college, followed with a happy talk of the relations existing between the pastor and the people. Miss Wilson of the Conservatory, then rendered a highly appreciated vocal selection.

Rev. T. J. Sheppard spoke in his usual happy manner of the relations, reverent, religious, and responsive. He was followed by Rev. Arthur C. Baldwin, son of Dr. and Mrs. Baldwin, who was a boy twenty years ago and who spoke in a most impressive manner and paid a high tribute to the congregation.

The closing ceremony was the presentation by Dr. J. H. Hundley of two handsome leather chairs to the pastor and wife, who both responded.

The supper event closed with the singing of the old hymn, "Blest be the tie that binds."

AMUSEMENTS

BUSTER BROWN'S HOLIDAY.—Buster Brown and his dog Tige will cut up capers on the stage of the Auditorium tonight. On the stage, Buster, which Master Rice will portray on this occasion, is a perfect replica of the news paper Buster made famous by the New York Herald's funny page, while the confident of course cut all the capers.

BROWN OF HARVARD.

Although quite ill, in fact scarcely able to appear, Henry Woodruff won the hearts of a large audience, including many college students, at the Auditorium last night in "Brown of Harvard."

company appeared Wednesday night. Possibly some lives were saved by the coolness and quick action of Mr. Woodruff, and without doubt a great deal of fun was had.

In the latter part of the second act, some matches in Mr. Woodruff's trousers pocket were ignited in some manner and before he could realize what had happened a blaze began to destroy his clothing and singe his body. Realizing the probable result of anything but quiet, cool action Mr. Woodruff quickly grasped the burning part of his clothing in his hands, and attempted to smother the flames, while waiting calmly away from the audience. Fortunately the audience was none the wiser, although the actor sustained a painful burn.

ROLLER SKATING.

The Palace roller rink, Cedar street, which was so successful last season will again open on Saturday afternoon and evening, September 29, being for popular favor. The rink has been entirely remodeled and decorated, in fact no pains or expense has been spared in making the building comfortable and attractive and the appointments perfect. The floor space contains 10,000 square feet of skating surface and the management has no hesitance in stating that it is the finest surface in the country. This rink uses the celebrated Winters hall bearing fiber roll skate and they are considered by experts the best as well as most popular in use today, and the mammoth military organ will be a feature of the event.

CURRENT THEATRE NEWS.

Lillian Russell is appearing this season in legitimate comedy with no less distinction than she did in comic opera, to which she won the title of queen. The comedy "Barbara's Millions" by P. M. Potter which she is offering is proving an effective vehicle for her change to this style of stage entertainment. The performance has absolutely no music with the exception of a ballad rendered by Miss Russell which is incidental to the plot of the play itself. The plot deals with the adventures following upon the marriage of a lively and beautiful American woman with a French Marquis who is of noble lineage but without money. The Marquis immediately gives up all ambition and work, and succumbs to the pleasures of the idle class. At the same time he becomes devoted to a French woman of high lineage and of an extremely fashionable position. This woman goes with him to his shooting lodge in the Alps; his wife Barbara, in a fit of jealousy follows them. An avalanche of snow descends and Barbara is snowed-in with the wrong man. The remainder of the action of the play discloses the manner in which Barbara extricates herself, and finally extends forgiveness and is forgiven.

The one thousandth performance of "The College Widow" will take place within the near future.

Eleanor Robinson is entering upon the plan established for her by her managers of providing her with a permanent theatre home in New York where she will remain throughout the season. The place chosen is the Liberty Theatre in New York. This season she will present ten plays, the first of which "Nurse Marjorie" by Israel Zangwill, she is now rehearsing.

An announcement has just been made in New York which will doubtless prove to be of much interest to the public. It is no other than that sterling comedian, William H. Crane, and the distinguished English actress, Miss Elsie Jeffry, will appear in a sumptuous revival of Oliver Goldsmith's classic comedy "She Stoops to Conquer." These players will also be supported by what is practically an "all star" cast. Prominent among these is George Giddens, who achieved much favor in England and Australia by his impersonation of Tony Lumpkin. Miss Margaret Dale and Mrs. Fanny Addison Pitt are also in the cast. This production is being made at this time because of the failure of Alfred Sutro's "Pier of Money" in which Mr. Crane was starring, and of "The Dear Unlaid Sex," the comedy in which Miss Jeffry was appearing. The opening performance of "She Stoops to Conquer" will be made October 15, after which a tour of this country will be made by this extraordinary cast.

"Kathleen" is the title of the new comedy by H. V. Esmond which Ethel Barrymore is now rehearsing. Mr. Esmond will be recalled as the author of the great success "When We Were Twenty-One." Miss Barrymore is very enthusiastic over "Kathleen," declaring it to be Mr. Esmond's very best achievement.

PREVENTED A PANIC.

Henry Woodruff, who appeared at the Auditorium in "Brown of Harvard," Thursday night, told an Advocate man how a panic was narrowly averted at Youngstown, where the company appeared Wednesday night.

There are *three* things necessary to the *production* of the best cigars:

Insures Honest Cigar Values

Evolution in any business invariably meets with the noisy opposition of selfish interests.

The processes evolved by the American Cigar Company and the equipment which has brought about the remarkable improvement in cigar quality which the "△" (Triangle A) signifies, are *exclusive* with this Company. These new methods are beyond the knowledge and facilities of any other manufacturer.

The "△" (Triangle A) marks the *better* cigar values.

On the actual quality *you find* in the cigars it identifies our immense business must stand or fall.

To misrepresent the quality of any "△" cigars, or to make them anything less than the best cigar values in cigar stores, would be fatal to our best interests.

A poor cigar of any other manufacturer would only kill the selling possibilities of that one brand.

The same thing among Triangle "△" brands would hurt our whole business.

But we know that cigars identified with the "△" (Triangle A) are the best cigar values produced by any manufacturer in America today.

And we're proud to bring them right up front, proclaim them as our product by stamping every box with our "△" merit mark—and ask you to judge them strictly on their merits as the best cigars you can buy.

Among "△" (Triangle A) brands there are cigars to suit every individual's taste. There are different blends of different characteristics to meet every requirement of American smokers.

If *one* cigar does not happen to suit *you*, be reasonable enough not to blame the *quality* because the *blend* is not to your own liking.

Try "△" (Triangle A) brands until you find the one you like best.

Then you can be sure the quality and blend will remain the same indefinitely. And when your taste changes try other blends in other brands marked by the "△" and be assured honest cigar values as long as you smoke.

"△" (Triangle A) brands offer the widest obtainable range of choice and absolutely dependable quality in whatever brand suits your taste.

(Communicated.)

Passing one of our city school buildings the other day, the writer was highly entertained by the beautiful lines of the following patriotic school song splendidly rendered by the pupils: There are many flags of many lands, There's flags of every hue, But there is no flag in any land, Like our own Red, White and Blue. The thought came to my mind that in order to have true lovers of our

"Grand Old Glory" we must instill this love into the hearts of our children.

How can this be done?

Several of our city merchants and patriotic citizens have made presentations of flags and the children of almost every building have by their own energies brought splendid flags. I think that there was a state law passed in the early part of 1892 providing for flag staffs and flags for all free schools in Ohio. Our city at that time lived up to the law and started out all right. An empty flag staff is as much of an eye sore as a smokeless stack on one of the busiest factories. It denotes idleness or inactivity. What is the matter with our board of education? Wake up, gentlemen, buy the schools each and every one of them suitable flags, put new ropes in the staffs and order the janitors to unfurl "Old Glory" on every building and let us know that we still live in the "Land of the Free and the home of the brave."

COMRADES OF OLD 31st O. V. I.

EIGHTY-SIX OF THEM ATTENDED
28TH ANNUAL REUNION
AT HEBRON.

Mr. Marsh Elected President—Sixteen Members Died Since Last Reunion—Program.

(Special to the Advocate.)

Hebron, Sept. 28.—The 28th annual reunion of the 31st O. V. I. regiment held here Thursday was largely attended. The seating capacity of the large I. O. O. F. hall was taxed and standing room was at a premium. It was surely a red letter day for our village. Eighty-six comrades of the 31st O. V. I. were present at roll call. Sixteen members of the regiment died during the year.

Those attending from a distance were Captain W. H. McArthur, Arkansas City, Kansas; George Woodcock, of New Martinsville, W. Va.; S. F. Stewart of Evanston, Ill.; C. Marshall of Shawnee.

Mr. Marsh was elected president, and the following comrades were elected vice president:

Co. H, G. W. Gordon, Cardington; Co. B, Amos Baird, Columbus; Co. C, Levi Ross, Columbus; Co. D, Geo. Watts, Crooksville; Co. E, L. M. Conrad, Edison; Co. F, John Hartshorn, Raymond; Co. G, Geo. Wilson, Newark; Co. I, A. E. Crumley, Wilmington; Co. K, Geo. Arndt, Springfield; Secretary and treasurer, S. H. McNeil, Richmond.

The address of welcome was delivered by the Rev. Mr. Tibbles of Hebron, and the response was given by Dr. J. W. Alexander of Newark. Our schools assisted in the afternoon program with songs, and the high school quartet rendered some beautiful music.

sic. The Richmond Grand Army quartet sang at each session of the association, and also at the camp fire in the evening. This quartet is composed of the following "jolly young soldiers": J. A. Phillips, first tenor; O. S. McNeil, second tenor; S. H. McNeil, first bass; and W. A. Phillips, second bass. They are favorites at the reunions of the 31st and surely won the admiration of the fair sex of Hebron. The applause they received after each selection was quickly responded to.

Miss Susie Marsh of Shawnee, rendered two selections on the piano; also two songs were sung by Giff Rosebrough of Newark. The music of the drum corps was greatly enjoyed, also two violin solos by Comrade Davis of Jacksonville.

The principal address of the evening was made by Rev. I. J. Cahill, pastor of the Central Church of Christ at Dayton, O. He is a son of the regiment and a platform orator; widely known in church circles.

Short talks were made by Captain McArthur, Captain Cunard, I. N. Murn, Lieutenant Rabbitt and Geo. Woodcock, also Rev. Mr. Tibbles. A pleasing feature of the evening camp fire was the presentation of a beautiful gold lined cup to the Misses Nellie Rosebrough and Blanche Madden of the high school quartet, and the little Misses Veronika Gearing and Edith Davis. The cups were the gifts of Geo. Woodcock and the presentation speech was made by C. C. Marsh. Mrs. D. P. Burch was also presented with a beautiful medal as reporter. Spencer Holberry and the people of our village were given a cordial vote of thanks for their splendid open-handed hospitality.

Captain C. L. Williams, the retiring president of the association, won the esteem of his comrades during his two years' as presiding officer.

Quite a number of the comrades took a view of our little bustling village this morning, before taking their departure.

REUNION OF OLD SCHOOLMATES

HELD AT HOME OF MR. AND MRS.
JOSEPH ATKINSON AT PATASKALA THURSDAY.

General Schaff of Boston, Mass., and Other Old Schoolmates Present at Excellent Dinner.

A reunion of old schoolmates was held at Pataskala Thursday noon, when a large number of people sat down to a sumptuous dinner at the pleasant country home of Mr. and Mrs. Joseph Atkinson. The dinner was given in honor of General Morris Schaff of Boston, Mass., and his brother, Hill H. Schaff of Holdenville, Indian Territory, both of whom are in Licking county on a visit to their old home in Elma township.

Besides the guests of honor, there were seated at the table, H. Clay Miller, A. R. Miller Esq., and Samuel Jones of Pataskala, William White of Kirkersville, and Attorney D. M. Keller of Newark, and the host and hostess.

It is needless to say that ample justice was done to the sumptuous dinner which was thoughtfully and pleasantly served by the charming hostess, Mrs. Atkinson.

All the guests present were from a country schoolmates in Elma township. The leaves of memory tablets were turned back and they once more lived over again their happy days of youth. There was a keen rivalry in telling anecdotes and stories, but the most of story telling were awarded by unanimous consent to General Schaff, who by the way, was graduated from West Point in 1864.

the Civil war and who is now one of the State Gas and Light Commissioners of Massachusetts. General Schaff is also the author of a little book entitled "Etna and Kirkersville."

His prize story was concerning his experience in the Civil war after the battle of Gettysburg. He stated that he was detailed as an officer of a squad which was sent out to gather up the muskets which were left on the field after the terrible conflict. These muskets, according to the general's story, numbered over 1000, and as many as 200 were found to contain loads of ammunition.

Upon cross questioning, General Schaff admitted that he had overloaded 199 of the muskets, but one contained 21 loads.

Col. White, not to be outdone, told a fish story and vouched for the truth of it. He said that at one time they were so plentiful along the Kirtlandville feeder a few years ago that he caught one weighing 13 pounds in a corn shock.

Mr. Hill H. Schaff of Holdenville who is a prominent merchant, got in while the water was warm. It seems that Mr. Schaff attended the St. Louis exposition and made a discovery in new inventions never heard of before by any of the guests present. He saw a stove invented by a gentleman from Rochester, N. Y., which by actual demonstration cooked a meal for 10 men in 20 minutes using six pounds of coal and at the same time generated enough gas to illuminate the exposition building where the demonstration was made.

Some of the guests present who had been fortunate in accumulating some of the goods of this world, were disposed to take advantage of the presence of an attorney, and set pointers on the disposition of their property by will. They were notified by Mr. Keller that all advice on business matters could be given without charge on Friday, and they were invited to call at the office, where the written of their wills would be attended to.

Crippled by Rheumatism

To suffer the dreadful pain of Rheumatism is to endure the cruellest torture within the scope of human suffering. Thousands of former Rheumatic cripples who were sadly reconciled to a life of torture, are to-day happy and healthy, performing their portion of the day's work because they used Athlophoros. There is no Rheumatic however advanced be his case, that he cannot hope to be cured by Athlophoros. It's desolating and purifying powers enable the system to throw off the Uric Acid which causes the pain and suffering. The Athlophoros formula was originally the prescription of one of the world's greatest doctors and is known to have cured many thousands of people. Every druggist in this town sells and recommends it. Ask your druggist for

"The Republicans failing to nominate a candidate known to stand for high moral ideas, can expect little else than defeat at the polls this fall. The promise to secure appropriations for a few public buildings will not bolster up the intemperance and immorality of any candidate."—Wooster Herald.

There seems to be no let up to the indignation of the temperance element within the Republican party throughout the State over election of Walter F. Brown, of Toledo, as chairman of the Republican State Central Committee. It is pointed out that Brown was the chief lobbyist for the liquor interests at Columbus throughout the legislative session last winter. He is the attorney for the Toledo Brewers' Association and managed all the signs of the big brewers and liquor men at Columbus against residence local option under the Brannock and Jones laws. As a political leader he used the poll books of the Republican party in sending out circulars aimed at the defeat of the temperance movement. He is not only denounced as a liquor lobbyist before the General Assembly but the prediction is made that at the next session of that body he will appear here in full charge of the liquor interests. His promotion to be the head of the Republican organization in Ohio is creating special disgust among all Republicans who hoped their party would learn a lesson from the last election and that it would be freed from that sort of bossism in the present campaign.

S.S.S. OUR PHYSICIANS

While we have the utmost confidence in the curative powers of S. S. S. in all blood troubles, yet we realize that in some cases causes unknown to the patient often hinder the best effects of the medicine. For this reason we have maintained for many years a branch to our business known as "Our Consultation Department." This department is composed of regularly graduated and licensed physicians who have made blood and skin diseases their special study, and who are employed solely to advise and help, without charge, those who use S. S. S. Thousands of people have been cured of blood and skin diseases of every kind by the use of S. S. S., and many of those who, perhaps, at first did not find the results entirely satisfactory, wrote our physicians a full statement of their case, and a little advice hastened the cure. We have nothing to sell you, and the only reason for wanting you to write to us is that we may use every effort to see that you get the best result from the medicine. You can then help us by advising your friends to use S. S. S., which you will know from experience is all we claim for it. You can write with the assurance that all correspondence is held in strictest confidence, and that our physicians will give you helpful advice without charge.

A DAY'S DOINGS IN COURT HOUSE

HANDEL CASE TRIED FRIDAY IN COMMON PLEAS AND SUBMITTED TO COURT.

Judge Seward Heard Arguments in Webb-Stasel Receivership Case Friday—Court Notes.

The case of Eva I. Handel executor vs. Anna Handel, administratrix, was tried to the court Friday and submitted. Plaintiff asked for judgment against Anna Handel administratrix for \$319.22. The action was begun in the Probate court. An order was made by that court directing the defendant to pay her the distributive share of the plaintiff in the estate; and from this order the defendant appealed. Plaintiff's decedent, William Henry Handel, was one of the four heirs at law of George Handel, deceased. Anna Handel is administratrix of the estate of George Handel, and has filed in the Probate court her second and final account showing the amount remaining for distribution. Kibler & Montgomery, James. The court heard arguments of the counsel Friday in the case of Geo. P. Webb receiver, vs. A. A. Stasel receiver, in which the testimony was taken the first part of the week. The suit is brought to recover on a deposit account of plaintiff in the Newark Savings Bank. Kibler & Montgomery; Flory & Flory.

Answer Filed.
In the case of Emma Ford against Mary Oberfeld, the defendant has filed her answer in which she denies each and every allegation contained in the plaintiff's petition, and asks that plaintiff's petition be dismissed. Smythe & Smythe.

Answer to Petition.
In the case of James Alwood vs. Sarah E. Johnson, C. M. Holmes and J. P. Holmes asks to be made parties to the suit, and for answer they deny all the allegations in plaintiff's petition. They say that in 1899 they were tenants in common with the defendant Sarah E. Johnson in the premises described and owning an undivided one-half interest; that C. M. Holmes and J. P. Holmes entered into a contract with the plaintiff by which plaintiff agreed to support Margaret Holmes, their mother, from that time until her death and to give her a good home, care and attention, and furnish her proper clothing and other necessities and pay her funeral expenses. In consideration of this the defendants agreed to deed to the plaintiff their half interest in the premises. Defendants say that there has been a total failure of consideration for the deed; that plaintiff refused and neglected to support Margaret Holmes or to furnish her a proper home, food, care, clothing, and refused to pay the taxes on the property and refused and neglected to pay her funeral expenses; that Margaret Holmes was cared for, supported and furnished a home by Sarah E. Johnson who also paid the taxes. Defendants ask that the court decree the cancellation of plaintiff's deed and dismiss plaintiff's petition and for all proper relief. Smythe & Smythe, attorneys for defendants. In this case Sarah E. Johnson, one of the defendants, has also filed her answer. She says that she was compelled to and did furnish Margaret Holmes with a home, food and other necessities and was put to an expense of \$500; that in addition the care and attention she gave Margaret Holmes was worth \$200, and that she also paid the taxes. She asks that out of the portion in the premises decreed to plaintiff that she be paid \$700 and that she also be decreed \$20.52 paid by her for taxes.

Another Answer.
In the case of William E. Bloom vs. The City of Newark and John T. Lederer, the defendant, The City of Newark, has filed its answer, in which it denies all the allegations in plaintiff's petition and asks that plaintiff's petition be dismissed.

Transcripts Filed.
Transcripts from the mayor's office in the following cases have been filed with the clerk of the court: State of Ohio vs. George Moore, charged with shooting at George Baseman with intent to kill. Bound over to the Common Pleas court in the sum of \$2000. State of Ohio vs. Frank McBatten and Lewis Ross, charged with stealing.

Former Newark Players.

Billy Ragan, the clever Toledo ball player, who did so well on third base for Jackson this summer, has returned home. Ragan hit well in the Southern Michigan league, and when the official averages are published it will probably be found that he leads the league in fielding. Billy is very popular in the Michigan city, and they are very anxious to have him back there.

Fred Merkle, the high school player, who has been with Tecumseh this season, has made a long distance hitting record on every ground in the Southern Michigan league. Time and again the Toledo lad has broken up games with his mighty stick, and has batted homers over fences that the fans thought never could be reached. At one time or another this summer "Merkle" has made the longest hits ever recorded on the parks in each city.

Roth Merkle and Ragan mentioned in the above paragraphs, played with Newark this season. Merkle failed to make good, but no excuse has ever been offered for Ragan's release. Charles Pinkney of Cleveland, the star second baseman of the New Castletown team, can scarcely be retained next season by Manager Smith. President Charles Andrews of the locals, has received a telegram from Manager George Tebeau, of Louisville, asking for a price upon his services. Tebeau wants to secure Pinkney before the drafting begins.

DEATHS AND FUNERALS

ISAAC R. HILL.

The following obituary of Isaac R. Hill, written by Horton J. Buxton was read by the officiating minister, Dr. Lathrop, as a preface to the funeral service.

Isaac R. Hill was born in Monroe township, Licking county, Ohio, on the 17th day of September, 1831, and died in the city of Washington on the 25th day of September, 1906, aged 74 years and 9 days.

His education was obtained in the local school house in what was known as the Hill district in said township and in the branches taught in those early days he was a bright scholar.

On a farm near to his father's home was born Mary L. Willison, who grew to womanhood, and was wooed and won by him under circumstances most romantic, which space here prevents our giving, and their wedding was solemnized in 1857.

I am writing this obituary notice of the deceased as his intimate lifetime friend, and have seen much of his life, and nothing that I shall say or that I can say of his many excellent qualities, will in any way compare with the deep devotion, the tried and true affection that ever characterized his action toward his chosen life companion. To her he was ever the same gallant gentleman as when he first won her young affection. His wife was his idol, his home was his altar, and there he reigned supreme and there he worshipped. When called from home on business, though his stay was ever so brief, each day carried a telegram that spoke loving words. No children were ever born to Mr. and Mrs. Hill.

In 1875 Mr. Hill was chosen deputy sergeant-at-arms of the 44th Congress, and in all the years that have followed when the Democrats had the majority in the House Mr. Hill was the deputy sergeant-at-arms, and when by the ever changing tide of politics the Republicans were in the majority, he was then the Democratic caucus officer, having charge of the caucuses of the Democratic members in Congress. During the sessions of Congress he was perhaps one of the busiest men at the capitol, and seemed to be everywhere present, and so well, and so acceptable, did he discharge all and singular the multitudinous duties enjoined upon him, that his position was never able to displace him, and he died in office, having served continuously for over 31 years.

He was an unique figure in politics, to which his life was devoted, and his striking personality and his keen, pungent way of expressing his political ideas gave him a national reputation. He was prominent in every political convention in his own county and state and the national gatherings as well. For the past 40 years, and where the contest waxed the warmest and the excitement ever attendant upon such assemblages was the greatest, there was he to be found, battling for what he thought was right with all his strength. The fiction thus engendered by such a strenuous life has played its part, but those who knew him best were his strongest friends, and to them he paid the foalty of his devotion.

JAMES COCHRAN.
Mr. James Cochran, a highly respected citizen of Perry township, died September 15. Death was due to a stroke of paralysis which he suffered for four years. Mr. Cochran was born May 8, 1829, and died September 15, 1906, aged 77 years, 4 months and 7 days. He was married to Miss Louise Lampton on January 22, 1854, and of this union five children were born. Two of them preceded their father to the spirit land. A wife, two daughters and one son and grand and great grandchildren mourn his death.

Funeral services were conducted by Rev. I. C. Peitsmeyer of Newark, assisted by Rev. Mr. Kuffner of Hebron, on Tuesday at 10:30 at South chapel. A large concourse of relatives and friends assembled to pay their last respects.

J. F. KENNARD.

Word has just been received in Newark of the sudden death of Mr. J. F. Kennard of Lancaster. Mr. Kennard is well known among Newark Methodists, having been manager of the camp ground at Lancaster for many years.

CHILD'S DEATH.

The four months old grandchild of Mr. and Mrs. Joseph Moran of McKinley avenue, died Thursday morning at their home, after a brief illness. The funeral will be held Saturday at 9 o'clock and interment will be made in the Barnes cemetery, north-east of the city.

CARD OF THANKS.

Mrs. Elizabeth Robinson and family wish to express their sincere thanks to the kind friends for the flowers and sympathetic helpfulness during the illness and death of their beloved husband and father, Leroy Robinson.

BUILT UP HER HEALTH SPEEDY CURE OF MISS GOODE

She Is Made Well by Lydia E. Pinkham's Vegetable Compound, and Writes Gratefully to Mrs. Pinkham.

For the wonderful help that she has found Miss Cora Goode, 255 E. Chicago Avenue, Chicago, Ill., believes it her duty to write the following letter for publication, in order that other women afflicted in the same way may be benefited as she was. Miss Goode is president of the Bryn Mawr Lawn Tennis Club of Chicago. She writes:

Miss Cora Goode

"I tried many different remedies to build up my system, which had become run down from loss of proper rest and unreasonable hours, but nothing seemed to help me. Mother is a great advocate of Lydia E. Pinkham's Vegetable Compound for female troubles, having used it herself some years ago with great success. So I began to take it, and in less than a month I was able to be out of bed and out of doors, and in three months I was entirely well. Really I have never felt so strong and well as I have since."

No other medicine has such a record of cures of female troubles as has Lydia E. Pinkham's Vegetable Compound.

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), displacement of organs, inflammation or ulceration, can be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Her experience is very great, and she gives the benefit of it to all who stand in need of wise counsel. She is the daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge. Address, Lyon, Mass.

WEDDINGS.

JONES-SAMBROOKS.

Mr. Frank C. Jones and Miss Sarah Ann Sambrooks were united in marriage on Thursday, September 27, at the home of Mr. and Mrs. Evan Jones, 114 North Fourth street. The ceremony was performed by Rev. Thomas H. Warner, pastor of the First Congregational church, the impressive ring service being used. At the close of the ceremony the wedding supper was served.

Mr. and Mrs. Jones are splendid young people and have a bright future before them. Their friends wish them the highest happiness and prosperity.

MAYBURY-HAUGHN.

Thursday evening at 6 o'clock at the home of the officiating minister, Rev. L. C. Sparks, occurred the marriage of Mr. Irwin Maybury, a well known traveling man, and Miss Nora Haughn of Columbus. The ceremony was witnessed by the venerable Thos. Maybury and wife. Mr. Maybury is the grandfather of the groom. The young couple have the best wishes of many friends.

WOOLARD-BLACK.

Rev. H. S. Bailey of 32 North Williams street, united in marriage on Thursday evening, Mr. Archie Woolard of Burt avenue, and Miss Maud Black of 193 Pine street. The ceremony was performed at the West Main street parsonage of the M. E. church at 8 o'clock. The bride was accompanied by her sister, Miss Edna Black and Mr. Samuel T. Gruecy was groomsmen.

Mr. and Mrs. Woolard are well known and highly respected young people of the West End, and have the best wishes of a host of friends.

KUHN-LANGLE.

Mr. and Mrs. William Langle have issued invitations for the wedding of their daughter, Lulu Mary, to Mr. Valentine Howard Kuhn. The event will take place on Thursday, October 11 at 12 o'clock at Basil, O.

COOPER-HUGHES.

Miss Florence Hughes, daughter of Mr. and Mrs. H. J. Hughes of Pataskala, and Mr. James Cooper of Newark, were married by Rev. S. M. F. Nesbit, Wednesday evening. They are very popular young people—Pataskala Standard.

ZARTMAN-MEAD.

Friends have received the following invitation: "Mr. and Mrs. William Henry Mead Sr., invite you to be present at the marriage of their daughter, Florence, to Mr. J. Albert Zartman, on Thursday evening, October 11, 1906, at 6 o'clock, Pataskala, Ohio."

HORN-HASELDEN.

Mr. Orrie B. Horn, a well known Newark young man who has been for some time located on West Church street, where he has been engaged in the barber's trade, was united in marriage with Miss Lizzie May Haselden of Columbus, at the manse of the Second Presbyterian church Wednesday evening by the Rev. T. A. Cosgrove. Mr. and Mrs. Horn will make their future home in Columbus.

PASTOR AND WIFE WERE SURPRISED

Rev. and Mrs. H. N. Miller Were Victims of Jolly Crowd of Young Church People.

About fifty of the young people of the Central Church of Christ gathered at the home of their pastor, Rev. H. Newton Miller and completely surprised Mr. and Mrs. Miller and their son Edwin. It happens that the birthday anniversaries of Mr. and Mrs. Miller and Master Edwin all occur in the same month and the surprise was arranged to celebrate these three natal days in that family.

As a token of their esteem for their pastor, the young folks presented Mr. Miller with a purse of gold sufficient to cover his expenses at the National Convention of the Christian churches which will be held at Buffalo, October 11-12.

Mrs. Miller was presented with a number of beautiful pieces of Haviland china, and Master Edwin was given a beautiful silver loving cup.

The evening was spent in playing games, and light refreshments were served. The event was a very happy one and was made more so from the fact that the whole affair was a complete surprise for Mr. Miller and family. The event shows the close relation and good fellowship which exists between Mr. Miller and the young people of his church.

NEW TRACTION ROUTE AT UTICA

ELDON LEONARD AND MISS EDNA MERRIN MARRIED BY REV. W. S. CHAPMAN.

Holders of Utica Gas Stock are Well Satisfied—Saturday Review Club—Utica News.

Utica, O., Sept. 25.—The new traction route through Utica, noted last week, passes north through the Bell addition, thence across J. H. Kirkpatrick's dooryard. Two routes across the Courley addition were surveyed—one along Jefferson street and the other along High street. South of Utica one survey is along the east side of the B. and O. and another goes further east, through Dog Hollow. The route is east of the B. and O. clear to Newark. Through St. Louisville the line runs the length of Perry street, Harris addition, and separates Marsh Hazerty's blacksmith shop from his dwelling. From Newark a connecting line has been surveyed clear to the Ohio river at Gallipolis, according to the statement of one of the engineers. The Mansfield Southern Traction company was incorporated a few weeks ago with capital stock for preliminary purposes, of \$1,000. This is the company which declared that it meant to actually build a line from Mansfield to Mt. Vernon. Last Friday the company amended its charter and increased its capital stock to \$250,000, which looks as if it had gotten into shape to do something. C. A. Bartholomew of Cleveland, one of the projectors of the line, has been arranging for the survey of three routes, the best of which is to be selected. He says that building the line will be commenced as early in the spring as grading can be done.

Eldon J. Leonard and Miss Edna M. Merrin of near North Liberty were united in marriage at 8 o'clock Wednesday morning by Rev. W. S. Chapman at his home on North street. The young couple were acquaintances of Rev. Chapman before his coming to Utica.

Miss Emma Hall, a sister of Mrs. Harry Henry, and who was employed in the Herald office for a while last winter, was married Monday afternoon to Harry Parker of Gambier, who is engaged as telegraph operator at Mt. Vernon. The ceremony was performed by Rev. Mr. Smythe, D. D., in the Church of the Holy Spirit at Gambier only the near relatives being present.

The Saturday Review club will meet with Mrs. H. C. Bell, September 29th. Roll call, current events in Germany, History of Germany, chapters 1-16. Mrs. Mary Reynolds: The German as an American Citizen, Mrs. Helene Chappell: Table Talk—What Does America Owe to Germany, Leader, Mrs. Stella Blair; Drill—Birds, Miss Kate Litzberg.

Persons who hold shares of stock in the Utica Gas, Oil and Mining company, which they got at par, are discovering that they have a fine investment. Last January when a dividend of 10 per cent was paid, the company was in debt for the drilling of several wells and for \$1,500 borrowed money. Since that time the entire indebtedness has been paid off, together with all operating expenses, and last week the stockholders received checks for another dividend of ten per cent on their stock. One of the directors said a few days ago that prospects are for the payment of another dividend, of twenty per cent or more, in January even if another well be drilled this fall which may not be considered necessary.

PECULIAR

And Perhaps Serious Accident Happened to Mr. Harry Wade on Lover's Lane.

An employee of the E. H. Everett company was painfully if not seriously, injured Thursday about noon, in a most peculiar manner. The man's name was given as Harry Wade. Mr. Wade was driving a cow along Lover's Lane, south of the city when the animal became frightened at a hog which began a disturbance along the roadside. Mr. Wade ran after the cow with a stick in his hand. He stubbed his toe in running and fell. The right wrist was badly sprained and the stick which he carried broke and as he fell the sharp end of the stick caught in his clothing and barely missed penetrating his stomach. As

it was, the injured man was vomiting profusely. He staggered to a house nearby and was later brought to the office of Dr. P. H. Cosner where he was attended. The vomiting was soon stopped and it is hoped that there will be no more serious result.

Pitcher Van Anda Marries.
Springfield, Sept. 28—Chesley Van Anda, pitcher for Grand Rapids, was married in this city last evening to Miss Minnie Moore, who recently moved to this city from Bellefontaine. Van Anda is from Wapakoneta originally and the ceremony was of long standing.

Three Reinstated.
Cincinnati, Sept. 28—Three more players were reinstated yesterday by the National Baseball Commission, but the fine was increased to \$200 in each case and the commission announced that fines in similar cases will be increased from time to time until the practice of refusing to report for duty is broken up. The players whose cases were acted upon were McGlynn of Shreveport and Holly and Zimmerman of the New Orleans club. All played with the outlaw league during the past year, having refused to report to the clubs which had title to them, and were not classed as contract jumpers, that classification making possible their reinstatement.

GREW THIS HAIR
And we can PROVE IT

MISS DOROTHY CLARK,
2130 Grenshaw St., Chicago.

Put the scalp in an active and normal condition, and the hair will take care of itself every time. The scalp is the soil in which the hair grows. It alone governs the growth of the hair, and it must be kept fresh and healthy to insure a good crop of hair. The hair is a product of the scalp, and all the treatments in Christendom will do no good, unless they are specifically efficacious in the cure of the diseases peculiar to the scalp. NOW at all druggists, three sizes, 25c., 50c. and \$1.00 per bottle.

Brewers Will Not Bowl With Glassblowers, Owing to the Death of Capt. Miner's Father

Owing to the death of Captain Miner's father which occurred yesterday in New York City, the game between the Glassblowers' bowling team, and the Brewers will not be rolled to night. Arrangements have been made however for the B. & O. to play the game with the Brewers. The Molders will challenge the winners. It is probable that the teams now rolling on the Music Hall alleys will organize a city bowling league just as they are now playing.

INTERESTING FACTS

For Nearly Every Man, Woman or Child.

A short time ago we published an article recommending to our readers the new discovery for the cure of Dyspepsia, called Stuart's Dyspepsia Tablets, and the claim then made regarding the wonderful curative properties of the remedy have been abundantly sustained by the facts. People who were cautious about trying new remedies advertised in the newspapers and were finally induced to give Stuart's Dyspepsia Tablets a trial were surprised and delighted at the results. In many cases a single package costing but 50 cents at any drug store made a complete cure and in every instance the most beneficial results were reported. From a hundred or more received we have space to publish only a few of the latest but assure our readers we receive so many commendatory letters that we shall publish each week a fresh list of genuine, unsolicited testimonials and never publish the same one twice.

From James Yemmisler, LaCrosse, Wis.: Stuart's Dyspepsia Tablets are doing me more good than anything I ever tried and I was so pleased at results that I gave away several boxes to my friends who have also had the same benefits.

From Jacob Anthony, Portmurray, New Jersey: I have taken Stuart's Dyspepsia Tablets with the best results. I had Dyspepsia for 6 years and had taken a great deal of medicine, but the Tablets seem to take right a hold and I feel good. I am a farmer and time burner and I heartily recommend to everyone who has any trouble with his stomach to use these Tablets.

From Mrs. M. K. West, Preston, Minn.: I have received surprisingly good effects from using Stuart's Dyspepsia Tablets. I gave one-half of my last box to a friend who also suffered from indigestion and she had the same good results.

Stuart's Dyspepsia Tablets are a certain cure for all forms of indigestion. They are not claimed to be a cure-all, but are powerful for stomach troubles only, and physicians and druggists everywhere recommend them to all persons suffering from Nervous Dyspepsia, sour or acid stomach, flatulency, bloating or wind on stomach, and similar disorders.

Right Leg Broken.
Will Archer who has been working as tool dresser for the Lamberton Drilling company, met with a severe accident Tuesday at the rig on the Clyde Campbell farm. He was on the walking beam, about 20 feet above the ground, when he lost his balance, and realizing that he was about to fall, he jumped. He alighted on a pile of tubing. The tibia bone of his right leg was fractured, his left leg was bruised so that he suffered greater agony from it than from the other, and his face was terribly bruised. He was brought to his home here, Dr. Ely attended him.—Utica Herald.

all inflamed, ulcerated and catarrhal conditions of the mucous membrane such as nasal catarrh, uterine catarrh caused by feminine ills, sore throat, sore mouth or inflamed eyes by simply dosing the stomach.

But you surely can cure these stubborn affections by local treatment with Paxtine Toilet Antiseptic

which destroys the disease germs, checks discharges, stops pain, and heals the inflammation and soreness. Paxtine is a new medicinal powder which when dissolved in warm water makes an absolutely reliable cleansing, germicidal and healing wash. It represents the most successful local treatment for feminine ills ever produced. Thousands of women testify to this fact, and one trial will prove it.

Much Interest Is Shown in Ladies Suits

Made of fine broadcloths, tailored and trimmed in velvet and self covered buttons. Also the new mixtures in worsted suitings in check, stripes and plaids—some made in the Prince Chap, or semi-fitting style, and others in the short fitted jacket are very prominent. The long coat suit is also shown but is not quite so prominently featured as the other models.

We are displaying this week an unusually interesting assortment of suits that we are offering at \$25.00 for any of the styles shown.

The demand for suits is beginning to be very strong, and we again suggest that you look at these Saturday.

BURGLAR VISITS MRS. HERD'S HOME

SO FAR AS KNOWN THE FELLOW WAS DRIVEN AWAY EMPTY HANDED.

Mrs. Herd Heard Noise in House and Saw Man Plunge Through a Screen Door.

Thursday night the residence of Mrs. Robert Herd, 102 South Third street, was entered by a burglar, who ransacked the house in search of money. Mrs. Herd's sleeping room is just off the sitting room, and she returned Thursday night between 8 and 9 o'clock. Shortly after midnight she was awakened by a noise in the parlor, and thinking it was a rat pounced on the head of the bed. The noise ceased and Mrs. Herd was dozing off into sleep when she was aroused again by the noise. This time she realized that some one was in the house and got up from her bed to investigate, when the burglar dashed through an open door on the south side of the house and crashed through a screen, breaking it. It seems that the robber after gaining entrance to the house had opened the side door in the sitting room, preparing a way for escape should it be necessary. But he failed to count on the screen door which was hooked, and when he plunged through he doubtless wondered where he was going to land. The fellow had torn the front bed room to pieces and had examined every possible place where money could be secreted. Mrs. Herd informed an Advocate reporter that so far as she was able to learn the robber failed to secure anything of value.

HEADS OF THE CHURCH IN FRANCE DISCUSSING A GRAVE CRISIS.

MEETING IN THE PALACE OF
THE ARCHBISHOP OF PARIS

The French bishops met in plenary assembly in Paris early in September to devise under the obligations of the Papal encyclical a means of organization which shall be neither an "Association Cultuelle," as provided by the law of 1896, nor a Canonical Association, approved by the bishops at their meeting earlier in the year, but disapproved by the Pope. At the assembly the Prelates discussed these points, not without exciting interludes and some acrimonious debate:

1. Under what conditions shall the present Parish Vestries be suppressed when the Church Separation Law comes into operation, December 11, next?
2. How and by what method shall they be replaced?
3. Shall the clergy abandon the churches on December 11 voluntarily.

MET IN GRANVILLE

Marriage of Mr. George Howell, Former Resident of Bladensburg, and Miss Mardis.

(Special to the Advocate.)
Cleveland, O., Sept. 25.—Mr. Geo. E. Howell, a former resident of Bladensburg, now living in Cleveland, and Miss Georgia Mardis, who formerly lived in Granville, but who has been making her home in this city, were married on the 18th inst. at the home of the bride's sister, Mrs. J. W. Sumner. The wedding is the result of an acquaintance established at Denison university in Granville, where Mr. Howell and Miss Mardis first met. The happy couple will make their home in Cleveland after October 5.

LOCKED

In an Empty Refrigerator Car an Ex-Soldier is Found Nearly Dead From Hunger and Thirst.

Indianapolis, Sept. 28.—Almost dead from exposure, hunger and thirst, P. L. Burns was taken from an empty refrigerator car at the Pennsylvania railroad yards in the eastern part of the city yesterday. Burns evidently had been locked in for several days.

He was too weak to talk, and only answered questions by a faint nod of his head. Trainmen who were going through the yards found a faint knocking on the car door, and, opening it, found Burns on the floor. He hardly had strength enough left to make the nose on the door that saved his life.

A card was found in his pocket bearing the name of F. L. Burns, Ft. Sheridan, Ill. He was formerly a member of a light artillery battery there, but he left a year ago. He could give no idea of how long he had been in the car. He had a watch, but no money. He had an interurban ticket sold at Portville, Ind., August 10, to another small place on the Union Traction line. He may recover.

POLICE

Stationed at the Door by Magistrate So His Rival Could Not Get in to Hold Court.

Toledo, O., Sept. 28.—Mayor Whitlock appointed Johnson Thurston acting police judge during the absence of Judge Brough. When Mayor Jones was alive a special law was passed through the state, on the machine amending the law so that the mayor could fill vacancies of the

BISHOPS IN THE GARDENS OF THE ARCHBISHOP'S PALACE

or shall they await the natural course of events?

4. How is public worship to be organized without violating the law—by public assemblies, by private collect-

ing meetings or by absolute private meetings?

In regard to the most vital of these problems late dispatches indicate that the churches will be abandoned.

ORDINATION

Of Rev. D. C. Kite at Johnstown on Friday Afternoon—A Denison Graduate, 1906.

(Special to the Advocate.)
Johnstown, O., Sept. 28.—Rev. D. C. Kite of last year's senior class of Denison University, who is well known in Granville, is being ordained as a Baptist minister today, the ordination council being in session in the Baptist church at Johnstown this afternoon and evening. Ministers and other delegates from the churches in the Columbus district are in attendance. Rev. Mr. Kite has been very successful in the upbuilding of the Baptist church of Johnstown and also of the church at Kirtlandville, of which he is also the pastor. While at Denison University he was a brilliant student.

REVOLVER

Fpressed Against the Bridegroom's Face by an Aged Madwoman, Failed to Work.

Zanesville, O., Sept. 28.—There would have been no wedding bells last night for Walter Marple and Helen Huffman, if the revolver held by Mary Francis had not refused to fire when she pulled the trigger with the weapon thrust against his face at noon.

Marple was walking past the Francis home when Mary Francis confronted him. Without a word she pushed a revolver against his face and pulled the trigger. The cartridge failed to explode and Marple ran to police headquarters and had the woman arrested. No reason is given for the attempted shooting. Proceedings, it is said, will be instituted today in the Probate court. Marple's wedding was held at the appointed hour.

WINTER TIME TABLE

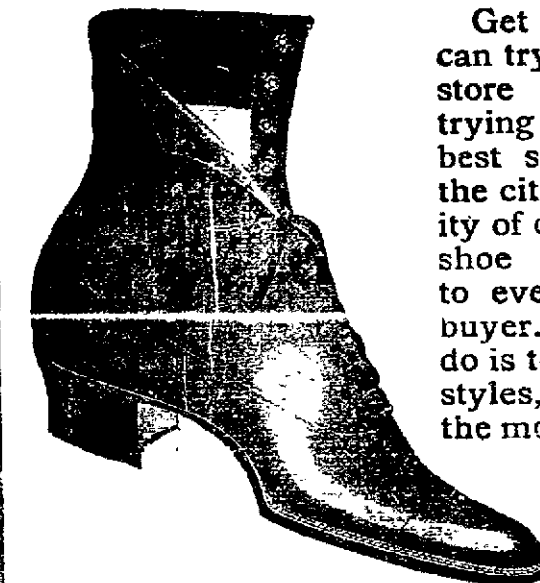

The winter time table on the L. C. & E. Interurban Lines will be in effect September 30, 1906.

Sunday trains will leave Newark east bound at 15 minutes after the hour and west bound at 20 minutes after the hour. The time of departure and arrival of Sunday trains at Newark will be the same on Sundays as on other days of the week.
